Prentice Pines

The Prentice Municipal Golf Course has been serving golfers since the 1950s on a plot of land purchased by Leo Heikkinen. The nine-hole course that was designed was a 2,500 yard par 34, and it stood that way for over 50 years. The Prentice Community Clubhouse was added in 1973 thanks to donations from Leo and his wife Norma Heikkinen. Prentice Pines is a 9-hole, par 35 golf course located in Prentice, WI. The historic course was built out of a landing strip in the 1960s and is a perfect golf course for beginners and veterans today, featuring two Par 3's, six Par 4's, and one Par 5. Under 3,000 yards, the course offers incredible value to enjoy a fun round and practice your skills.
