

# Lazy Loon Lodge

Nothing wrong with tooting our own horn. But... We are the best!

We do not have any deep fryers; a big plus! Many of our dishes become Vegetarian, Vegan, and Gluten free friendly very quickly. We have homemade Soup and Award-Winning Chili on our salad bar daily. We do not ever purchase premade menu items. We make our own desserts, salads, and sauces by scratch. We also cut and marinade our beef and chicken ourselves. We purchase our burgers from Heritage Meats, located a few miles away in Butternut. Check out the “Restaurant” tab for all the choices.
