Whenever possible, our ingredients are locally sourced. Our Maple Syrup is from Patterson Sugarbush. Wulf Farms, Glidden, supply pork products. We use Bigfoot BBQ Sauce in Butternut. When the Farmers Market is open, we purchase a large amount of fresh fruits and vegetables. Even though Super One is a corporate company, we consider it a local business because it employs so many community residents.

Our menu options are home made. We feel it is the little things that count. We grind our own rice flour, make our own muffins, shred red potatoes for hash browns, make our signature Loon Lemon Sauce, smoke our own cheese, create maraschino cherries, and all soups and chili are made from scratch; amongst a host of other things.

Ask your Server for **vegetarian**, **vegan**, and **gluten** free options. Most of the items on the menu can be adapted to meet your dietary needs. Please let us know and we will work our magic. Please note that we are NOT a Gluten Free restaurant, so we cannot guarantee that cross contamination will not occur, but we will do our best to serve you well.
